

THE PILGRIM QUILL

JUNE / JULY 2023

"I had that familiar conviction that life was beginning over again with the summer"

– F. Scott Fitzgerald

Hello Pilgrims!

Officially the first day of summer in the United States is Wednesday June 21st. Yet for most of us Memorial Day has always been the beginning of the backyard BBQ, pool party, cottage culture, planting, and vacation season. Nicky and I have some dead bushes in our landscaping to attend to. We plan on spending some lovely evenings gathered around my sister's newly installed patio and fire pit. I want to ride my bike as much as possible. We all have plans for the summer. It's a thing.

Our church calendar reflects this. The adult education and Sunday school programming takes a break for the summer months. Many of our various ministries follow the church program year (*September-May*) that allows them to slowdown in the summer. I'm all for it. Everyone needs to take the time for rest and relaxation. As a child and even more so now as an adult, that is how I look at the summer months – as a time of renewal. A time to get lost, rediscover simple pleasures, and simply be present in the moment.

We will continue to worship on Sundays at 9:00AM as we always do. I often see the summer as a time to experiment in worship. Join us in person or online and see what sort of shenanigans we'll be up to.

The second week in June, I will be attending the Wisconsin Conference Annual Meeting in Green Lake. One day I will take a daylong seminar entitled: Leading Through Transitional Times. The day after which I will attend a full day's worth of worship, business meetings, speakers, and dinner.

That Saturday (*June 10 – Walleye Weekend*) I will be working a heady 8+ hours at the Kiwanis Club Shelter at Lakeside Park making and selling deep fried

cheese curds for their annual fundraiser. Say a prayer for your vegan pastor, (*all that cheese*), then stop by and say hello.

We will enjoy both, church member Rev. Daniel Schultz, preaching on June 11th and our former pastor and teacher, Rev. Steve Hecky, preaching on June 25th. I will be taking some time off on Sunday, June 11th and from Monday, June 19th through Sunday, June 25th.

On June 25th we will send our 9 members off to Cleveland for a life changing mission trip that morning, and celebrate Pride at Lakeside Park that afternoon.

The council usually meets in June, but not July. The committees are still looking towards the fall and making plans. I will be putting the finishing touches on our confirmation program.

While we walk towards the dog days of summer as the constellation Sirius appears in the sky just before sunrise in late July, I want to challenge you to find new ways to love one another. Reach out, check in, care for each other. Be kind, charitable and considerate.

One truth I learn time and again in ministry is that all that really matters in this life is spending time with the ones we love, in the moment. Do that. Do a lot of that.

Let go of all the things we tell ourselves are important every day and go spend time with the ones you love. When you do that, you find God. There is something holy and sacred about the love we share with each other that carries the power to restore and renew us. Indeed, I believe this is the power of the Resurrection itself to heal, to overthrow the powers of earth with the power of heaven, to save our souls.

May the most you wish for be the least you get. May good fortune proceed you, love walk with you and good friends follow you.

May your home be a place where friends meet, family gathers, and love grows.

Amen and alleluia,

Pastor Rob

Sunday Scriptures

Sunday June 4:

Gen. 1:1 – 2:4a (This is Good)

Sunday June 11:

Rev. Daniel Schultz preaching

Sunday June 18:

Gen. 18: 1-15 (Sara Laughed)

Sunday June 25:

Rev. Steve Hecky preaching

Sunday July 2:

Matt. 10:40-42 (Holy Welcome)

Sunday July 9:

Matt. 11:16-19, 25-30 (Chosen Journeys)

Matt. 13:1-9, 18-23 (A House Divided)

Sunday July 23:

Matt. 13:24-30, 36-43 (Wheat & Weeds Together)

Sunday July 30:

Matt. 13:31-33, 44-52 (Weaving the Future)

News from Council President, Patti Burns

As we welcomed Spring and warmer weather, Pilgrim UCC has been a very busy congregation.

The Pilgrim Holy Rollers bike group has been out pedaling around our community. If you are unfamiliar with this group, you can follow them on Facebook. This group has been out riding with Slow Roll Fond du Lac and the Fond du Lac Cyclery Pizza Ride to Bob's Pizza. I look forward to joining in on some of these rides soon.

The May Family Fun Night hosted yard game night. The event was well attended. This event promotes multigenerational fun nights.

Our Pilgrim Diner's Club enjoyed dinner at Ala Roma for their May outing. We enjoyed great company and food.

As you may have noticed, Pilgrim supports the initiative of No Mow May to increase the habitat for bees and other pollinators.

Pilgrim will be represented at the Fond du Lac Pride Picnic on June 25th at Lakeside Park. This is a great time to be out in the community to support our mission.

Pilgrim UCC is a congregation that takes the word of God out into the community!

Patti Burns

Helping Our Neighbors Close to Home With a KIVA Loan

Rarely is the Outreach Ministry able to make a loan to someone in the United States. However, this month we were able to help Jennifer who owns a daycare business in Madison, Wisconsin. KIVA is a 501(c)3 non-profit organization. KIVA's mission is to connect people through lending to alleviate poverty. KIVA works with micro finance institutions on five continents to provide loans to people without access to traditional banking systems. The \$225.00 loaned to Jennifer was money that had been repaid on previous loans we have given.

Jennifer requested a \$7,000 loan to expand her daycare to serve more families. She was born and grew up in a small town in Honduras. From her mother she inherited a passion for working with and caring for children. She also learned the importance of teaching children values such as respect, empathy, equality, joy, friendship, and tolerance. The business description in Jennifer's own words follow:

"Mia's Family Daycare, a Wisconsin licensed daycare for 8 children, is located in my home in Madison, Wisconsin and is a place where children can receive quality care and education. We are accredited with a four star rating which certifies the quality service we provide. The reason I started my family daycare is because I had been training for a few years and decided it was time to start on my own. At the beginning, it was not easy. Parents leave their children in your care and being a new business, it is hard for them to trust, but my preparation, hard work and the trust of my first clients made the daycare start to grow and keep us at 100% of our capacity. In the last year my community has faced great challenges to find care for their children. Many parents have had to leave or change jobs because they cannot find care for their children. For this reason, I thought it is a good time for my daycare to grow and have a bigger space that can give me the opportunity to serve more families and fulfill my dream of growing my business."

The loan will be used to build a playground area which has a protective fence, purchase playground equipment suitable for children of different ages, cribs, tables and shelves for toys.

All of us at Pilgrim understand the importance of quality daycare for our children and grandchildren. KIVA gives us the opportunity to help someone close to Fond du Lac offer that service. If you would like to learn more about KIVA see their website www.kiva.org or talk to Peg Bradley or any member of the Outreach Ministry.

Diner's Club!!!

The next get-together is planned for
Saturday, June 24th at 18 Hands Ale Haus,
 18 E. Division Street.

The sign-up poster will be in the narthex soon.

Please sign-up by June 22nd.

Gathering begins at 5:00PM with
 sit down for the meal at 5:30PM.

Watch for information on the **July get-together**
 of the Diner's Club in upcoming bulletins and
 Friday eNews. As always, if you have
 suggestions for other restaurant choices,
 let Patty Minter know.
 Happy Dining!!!

Flowers for Church

Members can continue to
 sign-up to provide flowers in church on
 the Sundays of each month

**In Memory Of Someone or
 In Honor Of Someone or
 Special Occasion.**

The sign-up poster is hanging on the window
 (of Cathy's office) behind the Scrip table.

Coffee Hour

1st Sunday of Each Month
 (except where noted)

**Volunteers are Needed and if no one
 signs up for any given month,
 there will be NO coffee hour. We can have coffee
 hour for a reason or no reason!**

The sign-up poster is in the narthex with
 dates and instructions; **any member
 of the church can sign-up.**

If you notice supplies getting low or if you
 have questions, please let Patty Minter
 know at 920-251-0425 or
 pattyminter@gmail.com

CITY OF FOND DU LAC – Public Service Announcement

Department of Public Works – Municipal Service Center

One week electronic recycling event, Monday June 12 through Saturday June 17th.

The City of Fond Du Lac Municipal Service Center is collaborating with RecycleThatStuff.com to offer a one-week electronic recycling event beginning Monday, June 12th 2023 through Saturday, June 17th. This event will be located at the Municipal Service Center Bulky Waste Drop-Off Site at 490 Doty Street during regular hours of operation. Hours of operation can be found at www.fdl.wi.gov/public-works/bulky-waste-disposal/ under “Hours of Operation”. This recycling event is available for City of Fond Du Lac Residents Only. Payment for items dropped is CASH ONLY, credit cards and checks will not be accepted.

Listed Below are the details and fees associated with items that can be dropped off.

Recycling fees for Televisions:

- Flat and CRT TVs (29” and Under) – \$20.00
- Flat and CRT TVs (30” – 49”) – \$40.00
- Flat and CRT TVs (50” and Over) – \$60.00
- Wood Console or Projection TVs – \$60.00
- Recycling fee for all CRT Computer Monitors \$20.00
- Recycling Fee for Microwaves – \$15.00
- Recycling Fee for Large Copy Machines – \$15.00

There are NO FEES for the Following items: Computers, Laptops, Hard Drives, Printers, Scanners, VCR & DVD Players, Fax Machines, Radio, Stereo, Typewriter, Keyboard, Mice, Circuit Boards, Cables, Cellular Phones, Telephones, Cameras, Camcorders, Cordless Power Tools, Video Games, Small Kitchen Appliances, and other small electronics.

**** City Staff has the right to refuse any items if they do not feel that it falls within the electronic recycling parameters. ****

Volunteers are needed to mow the church property lawn!

A sign-up sheet is hanging on the corner of the "Adult Ed" bulletin board; several dates are open for individuals to volunteer to help mow the church property lawn.

If you have any questions, please contact Doug Baltz at 920-960-0042

Loaves and Fishes

For the remainder of this year, Pilgrim Church will serve the Loaves and Fishes meal on **August 23rd and December 6th** at the Church of Peace.

Each time we provide a meal, several volunteers are needed to donate and prepare food, set-up, serve, clean-up and distribute leftovers. It is hoped that those that have helped in the past will volunteer again; new volunteers are always welcome!

Watch for the sign-up poster which will be in the narthex approximately two weeks before the serving date. If you have any questions, please contact Jim Bentley at 920-922-5093.

Notes from Karen

(Our Sunday School Director)

SUNDAY SCHOOL NEWS

Thank You!

The Sunday school children would like to thank the entire congregation for their ongoing support of our many service opportunities. Whether it was dimes for the birthday bank, monthly donations to our St. Katharine Drexel Homeless Shelter collections or digging deep in your pockets for loose change (and often dollar bills) for the Heifer International project, your continued support has been and will continue to be greatly appreciated. Thank you everyone!

Church Camp Opportunities

There's still time to sign up for attending church camp at one of our three beautiful locations. Thanks to Gary Ring, there are some brochures available or you may go to ucci.org to check out all the wonderful opportunities. As always, there are scholarships available. Please talk with Karen if you have any questions.

Community Family Fun Night

The Christian Education Ministry will again be offering our annual August Family Fun Night out on Pilgrim's beautiful lawn for the community to come and join us for an evening of games, fun and fellowship! The date for this event will be **Thursday, August, 11th from 6:00PM – 8:00PM. Mark your calendars and tell your friends and neighbors!**

As always, we will need many volunteers to help with this event. Please watch for further information as we will have a sign up in the narthex as the event gets closer.

Looking Ahead.....

While I know we have just finished up with this past year's programming, the CE ministry will be working over the summer to plan for the fall. With that being said, please respond to any emails you may receive in regards to age appropriate classes for your children. Also, Pastor Rob is planning on holding Confirmation classes for students in grades 8 and above and would like to know if you have a child, grandchild or even a friend's child who might be interested in attending. If so, please reach out to either Pastor Rob or myself so he can begin preparations for this.

I wish you all a safe, happy and healthy summer and hope to see you on Sunday mornings for our weekly worship service. If I can be of any assistance to you during the summer months, please don't hesitate to reach out to me.

Blessings,
Karen

As the busy months of summer fast approach, please remember to keep Pilgrim's SCRIP program in mind. It's beneficial to our church's budget if people continue to use SCRIP cards when paying for your everyday purchases such as groceries, gas, ice cream, favorite restaurants. You can also use SCRIP for purchasing graduation, shower and wedding gifts. The money raised from our SCRIP program helps to support our church's yearly budget. Please talk to Karen at the SCRIP table on Sunday morning before and after the worship service if you have any questions, or give her a call @ 920-904-5740. Let's keep our SCRIP program going strong throughout the summer months. THANK YOU!!!

Christian Outreach News!

Summer is right around the corner!

For the months of June and July we will be collecting for the "Back to School" program. We know you don't want to hear "school or supplies", but they will be starting the sales for supplies in July and we want you to be prepared!

Your donations can be put on the rack that is in the entrance to the narthex and there will also be a box near the rack for any overflow school supplies; you can drop them off anytime.

Have a safe and happy summer and thank you for all the wonderful donations you have given this year.

Christian Outreach Committee

**Shoulders Up – Shoulders Back – Head Up –
Phone Down!**

Summer Sabbaths

For many, summer is a time for vacations – to get away from the routines. A Sabbath is a scheduled time without distraction to relax and reconnect with yourself, your family, your friends and God. A Sabbath can be any day of the week – it can be several hours or more than one day long. It's not so much about what **would** happen if you had undistracted time...it's about what **could** happen... face to face interaction, intentional listening, physical activity, conscious amazement at God's creations, discovering missed details...being alive and open to wonder.

June is another transition month when the pace of life seems to change. "Remember the Sabbath" is not a recommendation, it is a commandment. (The word vacation comes from the Latin for Freedom... need I say more?)

June 2 is National Cancer Survivors Day.

From the moment of diagnosis, a person becomes a survivor...aka "warrior". Celebrate that strength!

June 21 is our Summer Solstice

This year on a Wednesday, the longest day light day of the year and the official beginning of summer. This has been recognized and honored throughout history – lives connecting to the heavens and earth.

**Mark your calendar to get your blood
pressure checked after the worship service
on July 9th!**

Viruses - The More You Know:

I started writing about viruses 3 years ago when the world experienced a whole new virus – COVID19. There was a lot of speculation, trial and error, misinformation, dangerous recommendations, outlandish thoughts and differing politics – adding to the fear and anxiety. I hope I was able to give you basic/solid info.

That said – COVID is now in the category of being an Endemic ("A disease regularly occurring within a community – widespread/usual/common"). Endemic diseases can still be dangerous and life changing for some people. And given germs' (bacterias, viruses, fungi) ability to change, I believe that it will not be another lifetime before we experience another "new" disease.

Pandemic or endemic - all those healthy lifestyle things and common sense are still important. History can teach - guards may be lowered, but should not be discarded all together.

Botanically, an avocado is a berry – so that makes guacamole a serving (or two...) of fruit! God is Great!

Tick Check!

The 2023 Tick season is already underway and word on the street is that we had a mild winter, so there will be more ticks this spring/summer/fall. (I don't know if that's true, but Ticks are most active when it's warm and humid – so, tis the season...)

Ticks are parasites that do not survive unless they latch on to a host – in this case with a bite and then they feed on that small amount of blood. They can carry disease that can infect the host (animals or humans) when they back-wash as they are feeding. Ticks are mainly found in tall grasses. Deer ticks are smaller in size and may carry Lyme's disease.

Wearing long pants with the cuffs tucked into socks or boots, and long sleeve shirts are deterrents. There are repellants on the market to spray on clothing that will help further in prevention. But even then, checking yourself and your pets after being outside is a good idea. A still moving tick is easier to remove!

I'm not sure why God made ticks. And of course I want everyone to enjoy being outside. By being aware and using a bit of common sense, tick checks will be quick and yield nothing!

WISE:

When someone says, "I have diabetes", people make different assumptions than if someone says, "I have anxiety". Both are caused by a chemical imbalance. Healthy diets, exercise, stress management, education and sometimes medication, all help manage both. With someone with Diabetes, we slowly back away with the piece of double chocolate cake without breaking eye contact... But we sometimes don't know how to respond to someone with a mental health challenge. Both carry stigmas.

The WISE Task Force continues to meet monthly as we educate ourselves about the importance of Mental Health – good mental health and challenged mental health - because both Physical and Mental Health are important and valid – and we don't want to do stigmas.

This summer – my prayer is that you will be so engaged in nature, impromptu get-togethers, little league, picnics, iced tea, watermelon, fresh veggies, a good book in the shade....that you forget to look at your phone.

Sue

Pilgrim United Church of Christ,

On behalf of the Eichstaedt and Mundl family, please accept the enclosed check as a donation to Pilgrim UCC for the memorial of Mary Mundl who passed away on 12/27/22.

Mary enjoyed and valued being a church member and was a strong believer in supporting the Church. We are very happy to make this donation to the PUCC to use as you deem appropriate.

Yours truly,
Julie Eichstaedt

Pastor Rob & Volunteers,

Thank you for making a positive impact at Rosenow. Your kindness and support helps change the outcomes for our students; from lending a helping hand in the classroom to our flower garden, our school is stronger because of our partnership.

With gratitude,
Matt Wolfert

Caring for God's Creation

Let the Grass Grow!

Letting your grass grow longer between cuts saves fuel or electricity, and therefore reduces carbon dioxide emissions. Longer grass is more drought resistant. Try cutting every three or four weeks and let dandelions, daisies and violets bloom in spring, followed by buttercups and clovers.

Make Your Lawn & Garden More Planet Friendly!

- *Switch to battery powered lawn tools
- *Plant drought tolerant, native perennials
- *Use a mulching mower

AGRI-BUSINESS COUNCIL

Burdocks and Rust!

July 28, 29 & 30

Save the Dates and Join Us for GARDEN ART STROLL WITH RESTORED FARMHOUSE TOUR

Hosted by: Bob & Julie Kissinger

Meander through overflowing flowerbeds, shop for unique artwork hand-crafted by local artisans and tour a restored farmhouse!

[The Salvation Army of Fond du Lac](#) is blessed by every way community shares themselves and their unique beauty to help others. Bob & Julie open their gardens, their home and their hearts.

A host of incredibly gifted artists bring their unique talents for display and purchase.

This incredible event is beautiful in every sense of the word - donations benefit our work and preserve community history [Fond du Lac County Historical Society](#) & Rosendale Historical Society.

Featuring Local Artists:

Beth Campshure: Fused Glass & Garden Sculpture

Barb Bellmer: Gourds "Nature's Pottery"

Pat Reiher: Jewelry and Ceramics

Jolene Schry: Note Cards

Jessica Schumacher: "The Photographic Art of Joy"

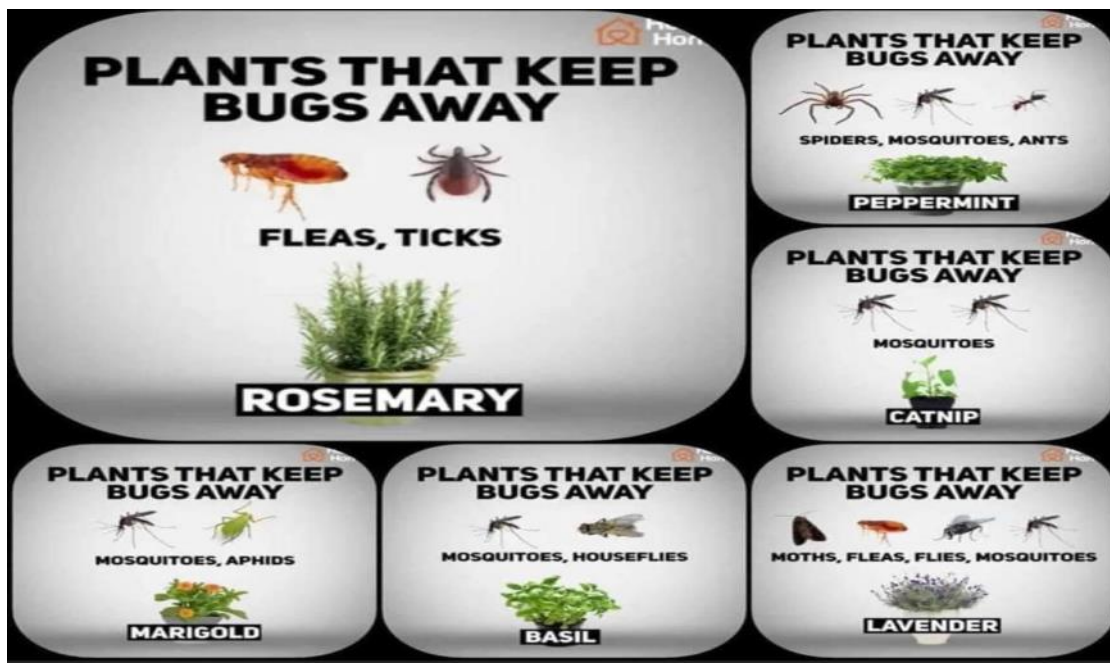

Amber Mans: Glass Sculpture & Jewelry

Amy LaPointe: Hand-Sewn Purses

Jenny Bellmer: Watercolored Pencil Art

Ken & Mary Englebert: Sculptural Bird Houses
